<p><b>Church of God, a Worldwide Association, Fundamental Belief No. 6: Sin and God's Law</b></p> <p>Sin is the transgression of the law of God, which is spiritual, perfect, holy, just and good. God's law is based upon the two great principles of love toward God and love toward neighbor. The Ten Commandments expound these foundational principles of God's law of love. Breaking any part of God's law brings upon a person the penalty of death. Those who love God and seek eternal life will strive to keep God's commandments. Obedience to God's law produces happiness and peace of mind. Disobedience to God's law produces misery and strife and ultimately eternal death.</p> <p>Scriptural support: 1 John 3:4; 5:3; Matthew 5:17-19; 19:17-19; 22:37-40; James 2:10-11; Romans 2:5-9; 6:23; 7:12-14; 13:8-10.</p>
